PURCHASE ORDER 2025**

**THE ELECTRICITY ACT 1989**

**THE ACQUISITION OF LAND ACT 1981**

National Grid Electricity Transmission Plc (in this order called the “acquiring authority”) makes the following order -

1. Subject to the provisions of this order, the acquiring authority is under section 10 of and paragraph 1 of Schedule 3 to the Electricity Act 1989 hereby authorised to purchase compulsorily the land and the new rights in, on, under or over land described in paragraph 2 and 3 (“Order Land”) for the purpose of replacing approximately 7 kilometres of the existing overhead electricity line and 18 pylons in the Cotswolds National Landscape with an underground cable and associated terminal pylons and sealing end compounds, together with related works to facilitate delivery of the Cotswolds Visual Impact Provision Project and the subsequent transmission of electricity.
2. The land authorised to be purchased compulsorily under this order is described in Table 1 of Schedule 1 and shown coloured pink and edged red on the maps executed on behalf of the acquiring authority and marked “Map referred to in The National Grid Electricity Transmission plc Cotswolds Visual Impact Provision Compulsory Purchase Order 2025”.
3. The new rights authorised to be purchased compulsorily in, on, under or over land under this order are described in Table 1 of Schedule 1 in accordance with the definitions at paragraph 7 below. The land over which those new rights are to be compulsorily purchased is shown is shown coloured blue and edged red on the said Maps executed on behalf of the acquiring authority and marked “Map referred to The National Grid Electricity Transmission plc Cotswolds Visual Impact Provision Compulsory Purchase Order 2025”.
4. Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 are hereby incorporated with this order subject to the modifications that references in Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 to “the undertaking” shall be construed as including the works to be constructed and used by the acquiring authority in, on, over and under the land subject to this order.

## THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC COTSWOLDS VISUAL IMPACT PROVISION COMPULSORY PURCHASE ORDER 2025

5. Where pursuant to this order a new right is acquired by the acquiring authority it shall be exercisable at all times by the acquiring authority, its successors in title, lessees, licensees, assigns and those deriving title from them and all persons authorised by any of these.
6. In the Schedules to this order, where a party's interest has already been identified and described in a plot then if they are identified in a later plot their address has not been repeated.
7. In Table 1 of Schedule 1 to this order, the following terms shall have the following meaning:

**“Arcing Horn”** means the projecting conductor used to protect transmission infrastructure from damage during power surges on towers ZF302, ZF303, ZF304, ZF305, ZF306, ZF307, ZF325, ZF326, ZF327, ZF328, ZF329 and ZF330

**“electricity infrastructure”** means the underground cables (including wires, earth wires, fibre optic cables, distributed temperature sensor fibre cabling and other communication cables, pipes, coatings and ducts), connections, cable draw pits, cable joints, cable marker posts, cable terminals, earth bonding and tape, drains, culverts, fibre optic pits, inspection boxes, trenches, marking bands, protective boards or tiles, jointing pits, link boxes, manholes, monitoring equipment, apparatus, conductors, supports, plant, equipment, pillars, warning tape, sheaths for transmitting and/or distributing electricity at such voltage as NGET or other licenced operators may from time to time require for the purposes of its or their operations together with other underground or overground equipment and apparatus associated with or ancillary to such underground cables

**“electric lines”** means the electric lines and conductors (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts and connections) for transmitting and/or distributing electricity at such voltage as NGET or other licenced operators may from time to time require for the purposes of its or their operations together with the tower(s) (if any) for supporting the same and any ancillary equipment and apparatus associated with or ancillary to such electric lines and conductors

<b>Access Rights</b>	<p>All rights necessary to access the Order Land and adjoining land with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel for the purposes of constructing, installing, commissioning, inspecting, surveying, maintaining, repairing, altering, renewing, replacing and removing or decommissioning the electricity infrastructure, including:</p> <ol style="list-style-type: none"> <li>a) to carry out de-watering and drainage works and installing, altering or reinstating land drainage systems;</li> <li>b) discharge water into existing drains and watercourses;</li> <li>c) to carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities;</li> </ol>
