

Working on behalf of

**FOOTPATHS:**  
Framfield 8a, 8b, 9, 10, 12

FRAMFIELD PARISH  
EAST SUSSEX COUNTY COUNCIL

These footpaths won't be closed for the overhead line works related to our new substation at Little Horsted between August and September 2025. However, there will be short term closures on Framfield 8a and 8b for user safety when scaffolding and netting is constructed over the paths.

**Works between: 1 August to 30 September 2025**

to download this as a PDF

Any temporary closures are in the interest of safety of users of this route whilst work is undertaken on the overhead lines and pylons adjacent to the path.

Please contact our Community Relations team if you have any queries about our work. The team is available Monday to Friday, 9am-5pm on 0800 073 1047 or you can email [nationalgridteam@jbp.co.uk](mailto:nationalgridteam@jbp.co.uk).
